## Instructions: Equity owner criteria and evidence

Individuals who meet [equity criteria](#) must own 50% or more of the cannabis business. Business owners can show they were impacted by past cannabis criminalization in a number of ways. You only need to meet one of the following criteria to qualify.

### Conviction or arrest

The owner was convicted of or arrested for a cannabis offense before November 8, 2016.

You can show proof of conviction or arrest using any of the following:

- Copies of federal or state court records that show the outcome of the case
- Records showing dismissal or expungement
- Any other court or law enforcement record that show proof of conviction or arrest

### Income

The owner's household income is less than or equal to 60 percent of the area median income for the local jurisdiction in which they live.

You can show proof of income using any of the following:

- Individual federal tax returns, state tax returns, or W-2s
- At least two consecutive paystubs
- Proof of eligibility for a program that provides financial aid to adults without enough income or resources, such as CalFresh, MediCal, CalWORKS, supplemental security income, or social security disability

The records must include the equity owner's name and be dated within two years of the date of the fee waiver request.

### Neighborhood

The owner lived for at least five years between 1980 and 2016 in an area disproportionately impacted by past criminal justice policies implementing cannabis prohibition. Use our [map tool](#) to see if you lived in a qualifying area.

You can show proof of residence using any **two** of the following:

- California Driver's License or State Identification Card
- Property tax bill or payment, or evidence that the owner is exempt from property tax payment
- Signed rental agreement, or deed or title to residential property
- Copies of state or federal tax returns
- School records
- Banking or credit card records
- Voter registration
- Utility, cable, or internet billing or payment records

The records must include the equity owner's name, show an address in the jurisdiction, and be dated between 1980 and 2016.
