

## Attachment A: Scope of Work

The Scope of Work is a detailed narrative that describes the proposed research project, methodology, timeline and metrics for success. The Scope of Work is a **maximum of 4 pages**, using no smaller than 12-point font.

The Scope of Work must include:

1. **Description of Research Project**

A detailed description of the proposed project, including the specific objectives of the research and anticipated project outcomes.

2. **Methodology**

A detailed description of the activities to be conducted, including how data will be collected and analyzed. If subcontractors will be used, describe which work components they will perform.

3. **Use of Cannabis**

Indicate whether cannabis will be used in the research project, and if so, how it will be acquired.

4. **Considerations and Benchmarks for Success**

A discussion of potential challenges, alternative strategies, and benchmarks for success anticipated to achieve the goals and objectives.

5. **Timeline**

An expected timeline for each phase of the project.

Please number your responses, using the same numbering as listed above.
