

Attachment B: Deliverables and Data Usage

Itemized Deliverables

List all items that will be delivered to DCC under the proposed Scope of Work. At a minimum, the list must include progress reports, the close-out report, delivery of the draft research manuscript and any anticipated publications that are known.

Deliverable	Description	Due Date

Use of Intellectual Property & Data

Will any of the deliverables listed above contain restricted data or preexisting Intellectual Property? Yes No

If yes, list the anticipated restrictions:

Owner (University or Third Party)	Description	Nature of Restriction
