**Text of Regulations**  
**California Code of Regulations Title 4**  
**Division 19. Department of Cannabis Control**

**Chapter 1. All Licensees**

**Article 6. Track and Trace Requirements**

**§15049.3. Track and Trace Requirements for Delivery.**

(a) A licensed retailer conducting delivery shall record all deliveries of cannabis goods on a delivery inventory ledger within the track and trace system.

(b) The licensed retailer shall create a delivery inventory ledger in the track and trace system and record the information required under subsections (c)(1) through (6), prior to the delivery employee leaving the licensed retail premises for each delivery trip. A delivery trip begins when the delivery employee leaves the licensed retail premises to conduct delivery of cannabis goods and continues until the end of conducting deliveries as provided for in subsection (f).

(c) The delivery inventory ledger shall include the following information:

(1) The delivery inventory ledger number generated by the track and trace system and assigned to the specific delivery trip.

(2) The name and license number of the licensed retailer.

(3) The delivery employee's name, employee ID, and driver's license number.

(4) The delivery vehicle's make, model, and license plate number.

(5) The item name(s) and category(ies) of each cannabis good to be carried on the delivery trip, the UID(s) assigned to those cannabis goods, and the number of units associated to each UID on the delivery inventory ledger.

(6) The UID(s) of any cannabis goods ordered by customers and processed by the licensed retailer prior to the delivery employee leaving the licensed retail premises.

(7) The date and time the delivery employee leaves the licensed retail premises to begin conducting deliveries.

(d) For each sale of cannabis goods through delivery, the following information shall be recorded within the track and trace system by the end of the calendar day on which the sale was completed:

(1) The date and time at which the sale was completed. A sale is completed at the time the cannabis goods are physically provided to the customer.

(2) Whether the customer is an adult-use customer, medicinal cannabis patient, or patient's primary caregiver.

**Proposed Text of Emergency Regulations**

(3) The UID and quantity of each cannabis good sold.

(4) The purchase price of each cannabis good sold.

(5) The county of the physical location at which the delivery occurred, which is the location at which the cannabis goods were provided to the customer.

(e) If a delivery employee returns to the licensed retail premises to obtain additional inventory of cannabis goods for delivery within the same day to be conducted by the same delivery employee, the licensed retailer may choose to continue the existing delivery trip in the track and trace system. If the licensed retailer chooses to continue the existing delivery trip, the additional inventory may be considered part of the existing delivery trip and a new delivery inventory ledger is not required. The licensed retailer shall record the following information within the track and trace system under the existing delivery inventory ledger number for any additional cannabis goods to be carried on the same delivery trip:

(1) The item name(s) and category(ies) of each additional cannabis good to be carried on the delivery trip, the UID(s) assigned to those cannabis goods, and the number of units associated to each UID on the delivery inventory ledger.

(2) The date and time the delivery employee leaves the licensed retail premises to continue delivery of cannabis goods.

(f)(1) The end date and time of the delivery trip shall be:

(A) Except as provided in subsection (f)(1)(B), the date and time at which the delivery employee returned to the licensed retail premises after conducting all deliveries that are part of the same delivery trip.

(B) If the delivery employee does not carry any unsold cannabis goods and does not return to the licensed retail premises on the same day after delivering all cannabis goods carried in the vehicle on the delivery trip, the date and time at which the delivery employee completed the last sale of cannabis goods on the delivery trip.

(2) When a delivery trip ends, the licensed retailer shall do all the following no later than the end of the calendar day on which the delivery trip occurred:

(A) For delivery trips where the delivery employee still holds cannabis goods at the end of the delivery trip, the delivery employee must return to the licensed premises and remove any unsold cannabis goods carried by the delivery employee from the delivery inventory ledger and return those unsold cannabis goods to the retailer's inventory within the track and trace system.

(B) Record the end date and time for the delivery trip in the track and trace system.

(g) (1) Notwithstanding subsections (a) through (f), prior to April 1, 2023, licensed retailers may comply with this section by maintaining delivery inventory ledgers in accordance with this subsection. Delivery inventory ledgers maintained by licensed

retailers pursuant to this subsection may be physical or electronic and shall include all the following for each cannabis good carried on a delivery trip:

(A) Item name, category, and UID.

(B) The quantity of units.

(2) All cannabis goods prepared for an order that was received and processed by the licensed retailer prior to the delivery employee leaving from the licensed retail premises must be clearly identified on delivery inventory ledgers maintained pursuant to this subsection. After each customer delivery, the delivery inventory ledger must be updated to reflect the current inventory in the possession of the delivery employee. All sales of cannabis goods conducted by delivery must be entered into the track and trace system within 24 hours of the date and time at which the sale was completed, as defined in subsection (d)(1).

### **Chapter 3. Retailers**

#### **§15418. Cannabis Goods Carried During Delivery.**

(a) A licensed retailer's delivery employee shall not carry cannabis goods in the delivery vehicle with a value in excess of \$10,000 at any time.

(b) For the purposes of this section, the value of cannabis goods shall be determined using the current retail price of all cannabis goods carried by, or within the delivery vehicle of, the licensed retailer's delivery employee.

(c) A delivery employee may only carry cannabis goods, cannabis accessories, branded merchandise of any licensee, or promotional materials in the delivery vehicle and may only perform deliveries for one licensed retailer at a time. A delivery employee must depart and return to the same licensed premises before taking possession of any cannabis goods from another licensee to perform deliveries.

~~(d) A licensed retailer's delivery employee shall not leave the licensed premises with cannabis goods without at least one delivery order that has already been received and processed by the licensed retailer.~~

~~(e) Before leaving the licensed premises, the licensed retailer's delivery driver employee must have a delivery inventory ledger of all cannabis goods provided to the licensed retailer's delivery driver employee. For each cannabis good, the delivery inventory ledger shall include the type of good, the brand, the retail value, the track and trace identifier, and the weight, volume or other accurate measure of the cannabis good. The contents of the delivery inventory ledger must comply with the requirements of section 15049.3. All cannabis goods prepared for an order that was received and processed by the licensed retailer prior to the delivery driver's departure from the~~

~~licensed premises must be clearly identified on the delivery inventory ledger. After each customer delivery, the delivery inventory ledger must be updated to reflect the current inventory in possession of the licensed retailer's delivery driver. Delivery inventory ledgers may be maintained electronically. During the delivery trip as defined in section 15049.3, the delivery employee shall maintain the delivery inventory ledger in either hard copy or electronic copy, which may be an electronic copy maintained in the track and trace system. After each customer delivery, the delivery inventory ledger must be updated to reflect the current inventory in the possession of the delivery employee. The delivery ledger must otherwise be updated in accordance with the requirements of section 15049.3, and must be entered into the track and trace system no later than the end of the calendar day on which the delivery trip occurred.~~

~~(fe)~~ The licensed retailer's delivery ~~driver~~ employee shall maintain a log that includes all stops from the time the licensed retailer's delivery ~~driver~~ employee leaves the licensed premises to the time that the licensed retailer's delivery ~~driver~~ employee returns to the licensed premises, and the reason for each stop. The log shall be turned in to the licensed retailer when the licensed retailer's delivery ~~driver~~ employee returns to the licensed premises. The licensed retailer must maintain the log as a commercial cannabis activity record as required by this division. The log may be maintained electronically.

~~(gf)~~ Prior to arrival at any delivery location, the licensed retailer must have received a delivery request from the customer and provided the delivery request receipt to the licensed retailer's delivery ~~driver~~ employee electronically or in hard copy. The delivery request receipt provided to the licensed retailer's delivery ~~driver~~ employee shall contain all of the information required in section 15420, except for the date and time the delivery was made, and the signature of the customer.

~~(hg)~~ Immediately upon request by the Department or any law enforcement officer, the licensed retailer's delivery ~~driver~~ employee shall provide:

(1) ~~All~~ The delivery inventory ledgers from the time the licensed retailer's delivery ~~driver~~ employee left the licensed premises up to the time of the request;

(2) All delivery request receipts for cannabis goods carried by the ~~driver~~ delivery employee, in the delivery vehicle, or any deliveries that have already been made to customers; and

(3) The log of all stops from the time the licensed retailer's delivery ~~driver~~ employee left the licensed premises up to the time of the request.

~~(ih)~~ If a licensed retailer's delivery ~~driver~~ employee does not have any delivery requests to be performed for a 30-minute period, the licensed retailer's delivery ~~driver~~ employee shall not make any additional deliveries and shall return to the licensed premises. Required meal breaks shall not count toward the 30-minute period.

(ji) Upon returning to the licensed premises, all undelivered cannabis goods shall be returned to the licensed retailer's inventory and all necessary inventory and track and trace records shall be updated as appropriate that same day recorded within the track and trace system in accordance with section 15049.3.
