2. Defining the subcommittee’s scope, and identification and prioritization of topics for subcommittee focus in 2023 (Discussion and possible action item)

The CAC’s mandate is to advise DCC on the development of standards and regulations pursuant to Division 10 of the Business and Professions Code, including best practices and guidelines that protect public health and safety while ensuring a regulated environment for commercial cannabis activity that does not impose such barriers so as to perpetuate, rather than reduce and eliminate, the illicit market for cannabis.

The subcommittee will identify topics of interest for 2023 meetings including, but not limited to, potency, packaging and labeling requirements, advertising and marketing requirements, and regulatory compliance.

The subcommittee will also consider which of the identified topics should be prioritized as agenda topics during 2023 meetings and what specific elements of these topics will be considered in future meetings.

Other Business

3. Recommendations for future agenda items (Discussion item)
4. Public comment for items not on the agenda
5. Adjournment

The CAC cannot discuss or take action on any matter raised during public comment that is not included on the agenda, pursuant to Government Code sections 11125 and 11125.7(a), but the topic may be considered during a future meeting.
