6. Future Agenda Items

- **Member Frazier** recommended discussing certified personnel, particularly in laboratories.
- **Vice Chair Nevedal** requested to discuss light deprivation in outdoor tiers and gain clarification on what triggers mixed light license being required by the state. She also suggested a discussion around trade samples, and the chain of custody of said samples.
- **Member Polson** suggested discussing DCC's recent actions on enforcement against unlicensed businesses. **Chair Jamalian** agreed and asked that the DCC present as much data as possible without compromising any investigations. **Member Christensen** also agreed on this topic, and asked about the development of an enforcement subcommittee.
- **Member Christensen** suggested an update from the High Potency Think Tank.
